WEB OUT®

For treatment of

WEBS, SPIDERS (INCLUDING ORB WEAVERS, HOUSE SPIDERS, CELLAR SPIDERS, AND OTHERS), MOSQUITOS AND OTHER LISTED PESTS

WEB OUT®

Product Information

Web Out kills spiders and helps prevent spider webs on surfaces that may support spider web development. This product can also be used as a contact pesticide to kill mosquitos and other perimeter pest insects.

Web Out is an EPA 25(b) exempt product; therefore, it has not been registered by the United States Environmental Protection Agency. Nisus Corporation represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act. Web Out is biodegradable.

For use in and around residential, institutional and commercial structures, vehicles, boats, boat docks and waterway vehicles.

Web Out can be applied to metal, wood, painted surfaces, brick, stucco, fiberglass, concrete, paneling and many other surfaces. **Web Out contains essential oils and can stain surfaces that absorb oils**, including, but not limited to, plastic, vinyl siding, concrete, bare wood and materials painted with flat or semi-gloss paint. Always test in an inconspicuous area before use.

Web Out contains plant essential oils that are inherently fragrant. This product's fragrance will dissipate in a short time. Limit interior applications to unoccupied or well-ventilated areas such as, but not limited to attics, basements, crawlspaces, sheds, outbuildings, greenhouses, garages or outdoor screened enclosures. **Avoid direct application to plants.** This product could be phytotoxic and should not be applied directly to plants or bushes.

Product Application

This product is ready to use; no dilution required. Shake or agitate before use. Maintain light agitation during use. Spray directly on the areas and to pests to be treated. One gallon covers up to 800-1200 square feet of surface area. If overspray is a concern, apply Web Out with a sponge or cobweb brush. If overspray occurs, clean surfaces with warm, soapy water. Reapplication may be necessary depending on climate and pest pressures.

For spiders and spider webs: Spray directly on spiders, webs and surrounding areas, then use a cobweb brush or broom to clean the area.

User Precautions: Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin, eyes or clothing. Wash face, hands and any exposed skin with soap and water after handling. Wear protective gloves/protective clothing and eye/face protection.

First Aid

Eye Contact: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

Skin Contact: Wash with soap and water. If skin irritation occurs, get medical advice/attention. Take off contaminated clothing and wash it before reuse.

Inhalation: Remove to fresh air.

Ingestion: Do not induce vomiting without medical advice. Call a poison center or doctor/physician if you feel unwell.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Store in a cool, dry (preferably locked) storage area inaccessible to children and pets. Do not freeze. **Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. **If empty:** Place in trash or offer for recycling, if available.

WARRANTY LIMITATIONS AND DISCLAIMER

To the extent not prohibited by applicable law, Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions, subject to the inherent risks set forth below. To the extent not prohibited by applicable law, **MANUFACTURER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.**

Inherent Risks of Use

The directions for use of this product are believed to be adequate and must be carefully followed. It is impossible to eliminate all risks associated with use of this product. Lack of performance or other unintended consequences may result because of such factors as use of the product contrary to label instructions, abnormal conditions, the presence of other materials, climatic conditions or the manner of use/application, all of which are beyond the control of the Manufacturer. The buyer/user assumes all such risks.

Limitation of Remedies

To the extent not prohibited by applicable law, the exclusive remedy for losses or damages resulting from this product (including claims based on contract, negligence, strict liability or other legal theories) shall be limited to, at Manufacturer's election, one of the following:

1. Refund of purchase price paid by buyer or user for product bought, or
2. Replacement of amount of product used.

To the extent not prohibited by applicable law: a) Manufacturer shall not be liable for losses or damages resulting from handling or use of this product unless Manufacturer is promptly notified of such loss or damage in writing; and b) **IN NO CASE SHALL MANUFACTURER BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES OR LOSSES, INCLUDING WITHOUT LIMIT, HEALTH RELATED DAMAGES OR INJURIES.**

The terms of this **Warranty Disclaimer** and **Limitation of Remedies** cannot be varied by any written or verbal statements or agreements. No employee or sales agent of Manufacturer or the seller is authorized to vary or exceed the terms of this **Warranty Disclaimer** or **Limitation of Remedies** in any manner.

It is not intended that this product be used to practice any applicable patent, whether mentioned or not, without procurement of a license, if necessary, from the owner, following investigation by the user.
